

Hope on the Slopes Returns to Breckenridge Feb. 25, 2017

BRECKENRIDGE, Colo. — Feb. 18, 2017—The 12th Annual [Hope on the Slopes](http://www.hopeontheslopes.org) event returns to [Breckenridge Ski Resort](http://www.breckenridge.com), Saturday, Feb. 25, to provide skiers and snowboarders an opportunity to make a day of skiing or riding more meaningful by raising money and awareness for the American Cancer Society, the nation's number one non-profit contributor of funds for cancer research.

Hope on the Slopes allows teams and individuals to compete for fantastic prizes from K2 skis and snowboards to GoPros by logging the most vertical feet over a period of six hours. Friends, family and colleagues are encouraged to form teams to make every run count towards the fight against cancer.

Participants should register online at www.hopeontheslopes.org, where they will also be eligible for discounted lift tickets and ski and snowboard equipment rentals. Once registered, participants will sign-in on Feb. 25 at 7 a.m. in the DoubleTree by Hilton Breckenridge hotel (continental breakfast included) and prepare to fight for the cure together. Opening ceremonies begin at 8:30 a.m. and the competition runs from 9 a.m. to 3 p.m. A fun-filled reception and closing ceremony follows the competition from 4 to 6 p.m. with awards, recognition, swag, raffle, silent auction, photos, snacks and a cash bar. About the American Cancer Society

The American Cancer Society combines an unyielding passion with more than a century of experience to save lives and end cancer for good. As a global grassroots force of three million volunteers, we fight for every birthday threatened by every cancer in every community. We save lives by helping you stay well by preventing cancer or detecting it early, helping you get well by being there for you during and after a diagnosis, by finding cures through groundbreaking discovery, and fighting back through public policy. As the nation's largest nongovernmental investor in cancer research, contributing more than \$3.5 billion, we turn what we know about cancer into what we do. As a result, nearly 14 million people in America who have had cancer and countless more who have avoided it will be celebrating birthdays this year. To learn more about us or to get help, call us anytime, day or night, at 1-253-691-0679 or visit cancer.org.
