The 2018-19 season will see the result of Vail Resorts' historic investment of CAD$66 million (US$52 million) into Whistler Blackcomb. The new gondola will offer guests a weather-protected experience in the first three-gondola connection in the world.

Additionally, the capital plan includes lift upgrades in Whistler Blackcomb's Family Ski Zone, replacing the Emerald Express four-passenger lift with a new six-passenger high-speed lift. Finally, the Catskinner triple-passenger lift has been replaced with a four-passenger, high-speed lift, which will allow Whistler Blackcomb guests to enjoy faster, more convenient access to Blackcomb Mountain's beginner and intermediate terrain.

Stevens Pass 4 and 6-Day Powder Packs, Premium and Select Passes are still available for purchase for the 2018-19 season and are also subject to the Nov. 18 deadline.
