With more than 100 inches of snow in March and 380 inches of snow so far this season, skiers and riders can look forward to incredible spring conditions during the resort's extended season, officially dubbed [Breck's Spring Finale](#). Snow or shine, beginning Monday, April 22 and running through Memorial Day, skiers and riders will be able to enjoy approximately 1,000 acres of terrain on Peaks 6, 7 and 8, as weather and conditions permit. The Peak 7 base area will serve as the hub of all operations during the extended season.

In addition to skiing and riding, celebrate Breck's Spring Finale with on-mountain activations and entertainment at the base of Peak 7 and beyond!
