Broomfield, Colorado – August 12, 2025 – Vail Resorts wants to make it easier for its most loyal guests to bring their friends to the slopes, celebrating the social side of skiing and snowboarding. Today, the company announced “Epic Friend Tickets,” a new benefit for 2025/26 full-season Epic Pass holders to share incredible savings with those who want to ski and snowboard most. Holders of an *Epic Pass*, *Epic Local Pass*, *Epic Military Pass*, *Northeast Value Pass*, and most other Epic season passes will receive between 6 and 10 *Epic Friend Tickets*, depending on when they purchased their pass. *Epic Friend Tickets* offer 50% off ski tickets at the company’s 37 North American resorts for the 2025/26 winter season. Additionally, friends can also apply 100% of the cost of a redeemed *Epic Friend Ticket* to an eligible 2026/27 *Epic Pass*, offering a double savings.*

“Skiers and snowboarders know this sport is magical, a passion you can’t help but share,” said Rob Katz, CEO of Vail Resorts. “If you ski or snowboard, chances are someone has introduced you to the sport, and we want to make it easier for you to pass that on to others. Epic Friend Tickets are the next step in our nearly two-decade journey of finding ways to make skiing more accessible to more people.”

“We will always give the best deal to our pass holders who commit to us before the season,” Katz continued. “That said, we know not everyone can plan ahead, so if you don’t have an Epic Pass, the next best thing is to know someone who does.”

With the introduction of *Epic Friend Tickets*, eligible pass holders who purchased before April 14, 2025, will receive 10 *Epic Friend Tickets*, and those who purchase after will receive six. *Epic Friend Tickets* replace and enhance *Buddy Tickets*, a previous pass benefit that typically offered much smaller savings on ski tickets and varied by resort.

Epic Friend Tickets can be used at the company's 37 North American resorts, including major destinations like *Vail* and *Whistler Blackcomb*; regional destinations like *Stowe*, *Heavenly*, and *Crested Butte*; and local ski areas like *Mount Sunapee* and *Afton Alps*. *Epic Friend Tickets* are redeemed through [EpicPass.com](https://epicpass.com) and then activated in the *My Epic* app for direct lift access. The pass holder must scan their pass in the lift line before an *Epic Friend Ticket* can be scanned.

Un regalo que sigue dando, los *Epic Friend Tickets* ofrecen ahorros significativos este invierno y el próximo. Los amigos obtienen 50% de descuento en boletos de esquí esta temporada, y lo que paguen por ese boleto se puede usar como crédito para un *Epic Pass 2026/27* elegible. "Al facilitar que nuestros titulares de pase compartan la experiencia de esquiar con sus amigos — con ahorros en no una, sino dos temporadas de invierno— esperamos ayudar a encender tradiciones que inspiren a grupos de amigos a volver a las montañas durante años," agregó Katz.
