Epic Pass Holders Unlock Summer Perks Including Scenic Lift Access and 20% Savings on Dining, Lodging, Bike Rentals and Golf

Apr. 28, 2026 – Keystone, Colo. – With the 2025/26 ski season officially in the rearview, Vail Resorts' Colorado and Utah mountains are trading snow-covered slopes for sun-soaked adventure and summer energy. As the seasons change, resorts are gearing up to welcome guests back for a vibrant summer lineup of hiking, mountain biking, scenic lift rides, and elevated alpine experiences designed to keep the energy high long after the snow melts.

Summer excitement begins in early May, led by Keystone Resort, which kicks off the season with golf opening May 8 at The River Course. Additional resorts will follow soon after, launching a lineup of experiences featuring breathtaking alpine views, signature events, and family-first activities.
